Report of Director and School Improvement Council

H.B. Swofford Career Center (Swofford) serves Spartanburg County School Districts One and Two. There are four feeder high schools: Chapman, Landrum, Chesnee, and Boiling Springs. Swofford is fully accredited by the Southern Association of Colleges and Schools, offering a strong, diverse curriculum in 14 program areas in accordance with standards set by the SC State Department of Education's Office of Career and Technology Education, The SC Board of Cosmetology, The National Institute for Automotive Service Excellence (ASE), and the South Carolina Department of Health and Human Services through the Nurse Aide Competency Evaluation Service (NACES). Curriculum is offered to match high school schedules and the demands of industry. Advisory committees with participating members from local industry advise each program area in developing an annual plan, promoting public relations, placing program completers, reviewing and revising curriculum, assessing programs, reporting progress and school improvement, and sponsoring students in school-to-work activities such as cooperative education, shadowing, internship, youth apprenticeship, and service learning.

Swofford students have the opportunity to participate in clubs and competitive events for career and technology education at the local, state, and national levels. Students may participate in the following programs offered at Swofford: "Career Exploration," career exploration to non-diploma IEP students; "Ropes Program," team building skills for Swofford students and approximately 1,500 ninth graders; "Summer Career Camp," for sixth and seventh graders; and "Career Fair," for all sixth graders. The "Car Show" and the "Plant Sale" are annual community events, which raise money for scholarships awarded to Swofford students. Students raise funds for the Diabetes Association, Muscular Dystrophy, and the Bloodmobile. They also adopt families through the community for Christmas. In all recruiting efforts, Swofford focuses on encouraging participation of non-traditional students in all courses offered.

Swofford is expanding to handle increasing request for courses and will be adding courses in the future.
